OKR Professional Coach

Self-Paced Online Course Complemented by Expert Guidance
Our unique blend of four half-day live sessions and self-paced online learning ensures a well-rounded learning experience. Our live sessions offer direct interaction with top OKR experts, allowing for personalized attention and real-time feedback. With the self-paced online learning you will reinforce your OKR foundational knowledge and practice as much as you need.

Študijné materiály

Practical Case Studies and Hands-On Exercises

Our program puts a strong emphasis on learning by doing. We've incorporated practical case studies and exercises that will give you the chance to apply the theoretical knowledge to real-world scenarios. This hands-on approach not only solidifies your understanding but also equips you with the skills to handle actual challenges when implementing OKRs.

Ready-to-Use Playbook and Templates

As part of the course, you'll receive a playbook and templates that you can directly use in your projects. These resources have been designed based on our vast experience in the field and are ready to use, helping you to quickly get started with your own OKR projects and save valuable time.

One-Year Access to Our Expert Collective

Upon enrollment, you'll gain one-year access to our vibrant collective of OKR experts. This will offer ongoing coaching and mentoring, ensuring you have the support you need even after completing the program. This unique opportunity allows you to tap into the collective wisdom of seasoned professionals, helping you to continually evolve your OKR coaching skills.
